**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am so happy that I am able to choose what provider I am able to use when it comes to my internet and cable choices. Please don't take that option away. Even having choices, they are slim...allowing cable companies to get away with unfair customer service issues. Competition is HEALTHY.

As I work from home, I need to have internet. And having a cable company I am happy with, helps my work life run smoothly.

As well, the cost, in my opinion, is already higher than it could be, and I witness companies increase, increase, increase. Please NO more price increases! No more Monopolies!
